

**NOTE March 2024:** The following text -- which was published by the "Secondary Universe 4" conference, Toronto, Oct. 9-11, 1971, as a conference Working Paper -- has been entirely included into: Darko Suvin, *Russian Science Fiction 1956-1974: A Bibliography*. Elizabethtown NY: Dragon Press, 1976. viii+73p, where a list of primary Soviet SF book titles in Russian, and then in English and French, is also supplied, and all entries have been supplemented to 1974. Please find it on the site. The contents of this earlier publication have therefore been suppressed

Two additional supplements to this second book were published in the *Canadian-American Slavic Journal* for 1980 and 1981.
